**Price:** £0.00

**Date:** 2023-01-31 05:07:28

**Expiration Date:** 0000-00-00 00:00:00

## Description

Wealth in a Box is an agile and modern platform that brings together front, middle, and back-office technology solutions to streamline wealth management for increased efficiency and reduced costs. The platform's five-layer architecture is ideal for managers who seek agile but sophisticated wealth technology solutions to help them deliver outstanding service to HNWI/UHNWI clients.
