Hazel Lee - Private paediatric children's physiotherapist providing Physiotherapy in Edinburgh and the surrounding areas with over 20 years of experience working in the NHS, more than 16 of those working exclusively with children. I am a member of the Chartered Society of Physiotherapy with an Honours degree in Physiotherapy; a member of the Association of Paediatric Chartered Physiotherapists and registered with the Health and Care Professionals Council.

My main area of expertise is in treating children with neurological conditions as well as those not meeting their developmental milestones. I have extensive experience

---

in treating children and young people who require rehabilitation following illness

and injury as well as those with issues concerning chronic fatigue and chronic pain.

Physiotherapy should be a fun experience! I love working with children and hope that is clearly evident during my sessions.

Please feel free to contact me for an informal chat about your child or to make an appointment.
