When you choose our Garden Structures, you’re choosing great value and quality. With an aluminium veranda, pergola, glassroom, or carport, you’ll add a stylish extension to your home. In addition, aluminium is solid, weatherproof, and requires hardly any maintenance. We use carefully selected, high-quality aluminium, available in the following colours: Traffic White, Cream, Black, and Graphite Grey. There are also many optional extras and accessories available, depending on your taste and preferences.Website: https://easygardenstructures.co.uk/Phone Number: 0800 644 4113Business Hours: Mon-Fri: 08:30 – 17:00
