BJB Roofing Services is a trusted, professional roofing company based in Hull, providing high-quality roofing solutions to homeowners, landlords and businesses across Hull and East Yorkshire. With many years of hands-on experience, the team is committed to delivering reliable craftsmanship, transparent service and long-lasting results on every project — from minor roof repairs to complete roof installations. Their reputation has been built on quality materials, honest advice and a friendly, customer-focused approach. Specialising in both pitched and flat roofing, BJB Roofing Services offer a full range of roofing work including new roofs, re-roofing, roof replacement, EPDM and felt flat roofs, slate and tile repairs, and

emergency roof repair services. Whether a property has suffered storm damage, developed a persistent leak or simply needs general maintenance, their qualified roofers diagnose issues quickly and deliver practical, cost-effective solutions. Their focus on using durable materials and proven techniques ensures every roof is structurally sound, watertight and built to withstand harsh weather

conditions. Website:
